

GUNGAHLIN CATS

Milestone Award Scheme

Milestone Award Scheme

It is the policy of the Club that the Cats will operate an awards scheme to reward our members for their continued dedication to the Club.

This scheme will take the form of rewarding our members through the amount of accumulated games that they play for the Club.

For games to qualify for this scheme, they must be club games in the TFACT Domestic and Premier League competitions, and recorded from the official TFACT sign-on forms at the end of each season.

The reward levels are:

- 50 Games - Certificate of Congratulations
- 100 Games - Exclusive club-branded sports bag
- 250 Games - Exclusive glass trophy award
- 500 Games – Framed club jersey with member number
- 1000 Games - Perpetual award named after member and life membership awarded

The Club has kept accurate records gleaned from these sign-on forms since inception in 2009, and has maintained this record keeping ever since.

All members who reach any of these milestones will have their name recorded and displayed on the Cats website.
